Message from the School Principal

Dear Learners,
Welcome back after a rejuvenating summer holiday!
As we are ready to embark on a new school year, we are presented with a wonderful opportunity for a fresh start. This is a perfect time to set new goals and commit ourselves to achieving them. The journey ahead is filled with potential, and it is up to each one of us to make the most of it.

One of the most critical components of success in life is effective time management. How we manage our time can significantly influence our achievements and personal growth. So, to navigate this school year successfully please begin with Setting Clear Goal and define what you want to achieve this year, both academically and personally. Write these goals down and create a plan to accomplish them. Working in this direction Time Management is an important element so you need to prioritize your tasks and create a schedule. Allocate specific times for studying, extracurricular activities, and relaxation. Remember, consistency is the key with consistent efforts and meticulous planning colossal aims can be achieved.
While academics are important, it is equally vital to invest time in creative pursuits. Whether it's art, music, sports, or any other hobby, these pursuits can enhance your overall well-being and creativity.
So it's imperative for you to Know Your Passion and Hone Your Skills Identify what you are passionate about and work on improving those skills. This not only brings personal satisfaction but also prepares you for future success. To balance physical stress and mental well-being take time to practice mindfulness and self-care. This can help reduce stress, improve focus, and increase overall happiness. Always remember, all great achievements are the result of steady progress. Take one step at a time, and do not be discouraged by setbacks. Each small step forward is a victory in itself.
As you step into this new beginning, embrace the journey with enthusiasm and determination. Let's make this year a remarkable one by setting our goals high and committing ourselves to excellence.
Wishing you all a productive and fulfilling school year!

Best Wishes
Garima Pandey
Principal

EARTH DAY

On Earth Day assembly, our pre-primary kids took the center stage to learn all all about our amazing planet! They learnt about the globe and how important it is to keep Earth safe. With their creative hats on, they crafted colorful headgears showcasing their commitment to environmental stewardship. The highlight of the assembly was their joyful rendition of an Earth Day song, filled with enthusiasm. It was a celebration filled with learning, creativity, and a heartfelt dedication to our beautiful Earth!

International Dance Day

In our lively Dance Day assembly, the pre-primary kids took to the stage and presented a beautiful dance performance, showcasing their creativity and coordination. They discovered different dance forms, from ballet to hip-hop. The highlight of the event was when all our learners joined together for a fun dance session, spreading joy and laughter throughout the assembly. It was a delightful celebration of movement and music, making Dance Day a truly memorable occasion for everyone involved!

Pre-Primary Wing activities

APRIL-MAY

Summer Bonanza

Budding Botanists

Our enthusiastic learners from Grade 3 took their study of plants to the next level!

By combining creativity with classroom concepts, they crafted their very own miniature plants, showcasing the different parts in unique and imaginative ways. They brought flair to the project, using various materials and techniques to highlight the stems, leaves, roots, and flowers. 🌸🪴 These hands-on projects not only reinforced their understanding of plant biology but also allowed them to express their artistic talents.

Learners of Grade 1 inquired about the "choti-e" matra. They used Hindi letter blocks to create the words. They also identified their names with small- e matra. (Viraj, kiaan, anadi, Sidak). Later they made paper Planes (vimaan) and shared their experiences on "viman yatra". In the end they read the story "vimaan ud gaya".

Curious Minds at Work: Our learners exploring the wonders of human anatomy!

शब्दों का खेल, बने ज्ञान का मेल!

खआरइहफस

नन्हे कदम, भाषा की उड़ान!

हमारे नन्हे होनहार विद्यार्थियों ने स्वर और स्वरों की मात्राओं को सीखा, और उनके साथ बनने वाले शब्दों का अभ्यास किया! सही उच्चारण और मात्राओं को व्यंजन के साथ सही ढंग से जोड़ना भी जाना। यह गतिविधि न केवल उनकी भाषा की नींव को मजबूत करेगी बल्कि भविष्य में उनकी लिखने और बोलने की क्षमता को भी निखारेगी।

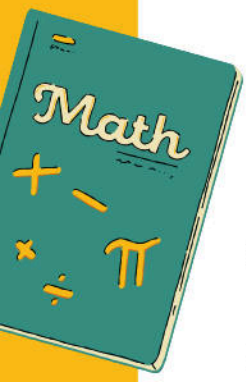

Harmony of Body & Mind

Our learners enjoyed an activity focused on the Harmony of Body and Mind. This activity fostered both physical and mental well-being, leaving them relaxed and happy.

Little Mathematicians at Work!

Our Grade 1 learners discovered how numbers can join forces to create new ones! Using our fun bean buddies, we made math both tasty and exciting. This hands-on activity not only made learning fun but also strengthened their number sense and teamwork skills.

MOVIE FUN AT AMBIENCE

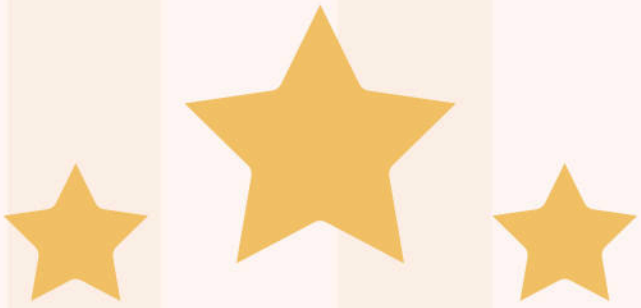

International Dance Day

Our Learners danced into the spotlight as we celebrated International Dance Day with our incredible Grade 5 learners! Their performances left us spellbound, showcasing the power of dance as a universal language of joy and expression.

Dancing to the beat of unity and joy.

Interhouse Maths Quiz Competition!

Our senior schoolers dislayed their incredible math skills at the Inter house Maths Quiz Competition! It was a thrilling event filled with challenging questions, quick thinking, and impressive problem-solving.

Each house brought their A-game, making it a close and exciting contest. Congratulations to all participants for their hard work and enthusiasm, and a special shout-out to the winning house for their outstanding performance!

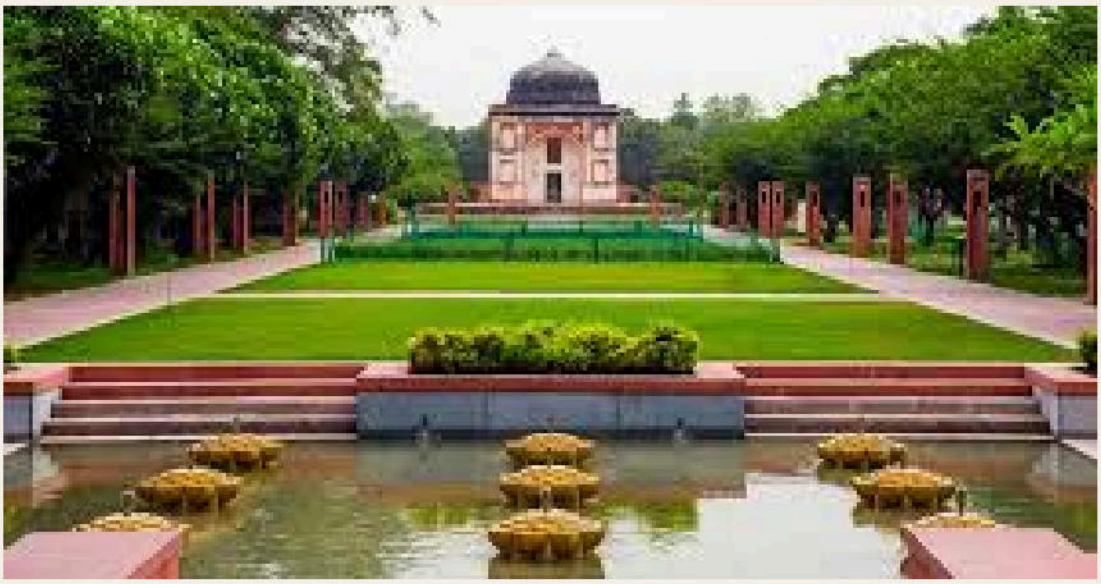

Exploring History and Nature

As part of the "Education through Monuments" program, senior school students integrated all subjects to create a model, website, and herbarium file showcasing the plants found near the chosen monument, Sundar Nursery.

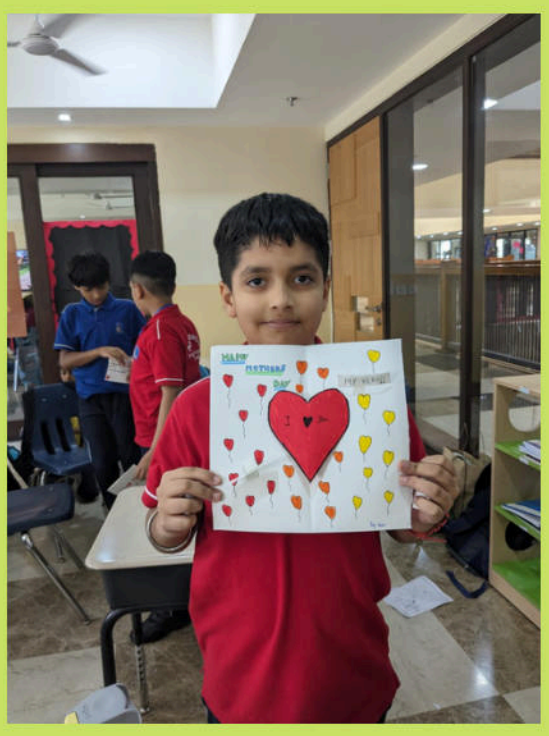

Creative Kids Celebrate Mother's Day

Grade 7 students poured their hearts into creating beautiful Mother's Day cards during Circle Time, showcasing their creativity and appreciation. Each unique card reflected their love and gratitude, bringing smiles and warmth to their mothers' hearts. This activity was a wonderful opportunity for students to reflect on the importance of family and share cherished stories about their mothers. Our Grade 7 learners' thoughtfulness and talent truly shone through in these heartfelt creations

EMPOWERING TOMORROW'S LEADERS: SCHOOL INVESTITURE CEREMONY

Witnessing the transformation of our young stars into leaders ignites a sense of pride and hope. The investiture ceremony is not just a formal event; it's a celebration of the potential within each child. As they do their leadership roles, they not only shoulder responsibilities but also embrace opportunities to inspire, innovate, and create positive change. Here's to nurturing a generation of compassionate, resilient, and visionary leaders!

On May 10, 2024, the school conducted its annual Investiture Ceremony, welcoming new student council members. The ceremony encompassed traditional rituals such as the lamp lighting, insightful speeches focusing on leadership, the distribution of badges and sashes, and the administration of oaths of service. The Chief Guest emphasized the importance of inspiring others and fostering a positive influence. The vibrant cultural performances further enriched the celebratory ambiance, culminating in a day filled with pride and a strengthened dedication to service.

Earth Day Assembly: Inspiring Conservation Efforts

Grades 9-11 students took center stage to celebrate Earth Day with a powerful assembly focused on environmental conservation. From soul-stirring songs to captivating dances and thought-provoking street plays, they reminded us of the importance of protecting our planet. Through their heartfelt performances, they shed light on various ways we can contribute to conservation efforts, while also addressing the harsh reality that the lack of human and political will hinders progress.

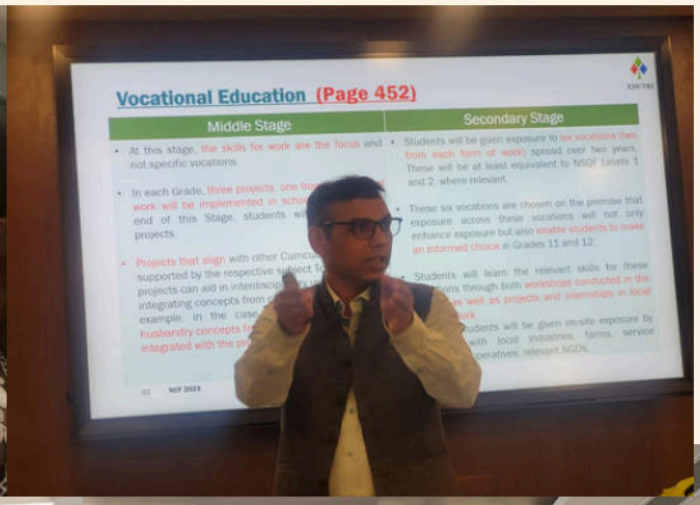

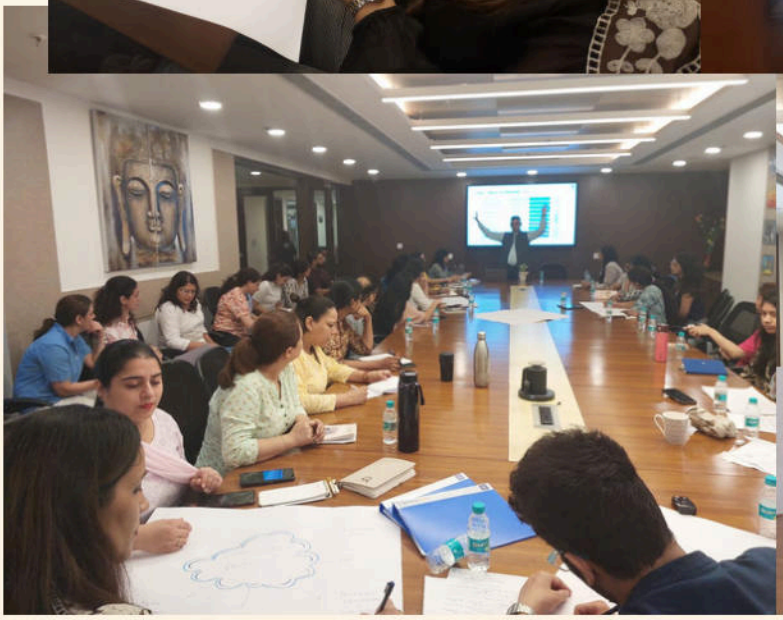

Teacher workshops

Our school recently hosted a series of in-service teacher training sessions, inviting esteemed experts from the field of education. These workshops covered a variety of crucial topics, including stress management, effective teaching strategies, the National Education Policy (NEP) 2020, and the Policy on Prevention of Sexual Harassment. These sessions are essential for our teachers, equipping them with the latest knowledge and skills to provide the best possible education and support to our learners.
