AMBIENCE SCHOOL'S NEWSLETTER

Message from the Principal

Dear Learners,
It gives me great joy to share with you this new edition of our school newsletter—a reflection of your hard work, your spirit, and the collective progress we are making as a school community. Every achievement featured here stands as a testament to your dedication and enthusiasm, as well as the trust and support your parents place in the school. Their partnership strengthens our shared journey, and together we continue to move forward with pride.

As I look around the school, I feel immensely proud of the strides you are making across academics, sports, arts, and all co-scholastic domains. Each one of you contributes to the vibrant culture of our school, and your curiosity, participation, and determination inspire us every day.

Over the past year, we have significantly expanded our sports infrastructure to support your interests and give you world-class opportunities to excel. The newly developed state-of-the-art skating rink, the well-equipped gymnastic arena, and the dedicated Ninja Gym for our youngest learners have added exciting avenues for physical development. The multi-lane shooting range is another landmark addition that opens new possibilities for those passionate about precision sports. Alongside these facilities, our Excellence Programme in Sports continues to guide promising talent, offering structured training and professional mentoring to help you hone your abilities with focus and confidence.

I also want to remind you that our inclusive education programmes are designed to ensure that each one of you feels supported, valued, and empowered. Our goal is to create an environment where every learner has equal access to opportunities and the encouragement needed to grow at their own pace.

As you turn the pages of this newsletter, I hope you feel proud of what you have achieved and motivated to strive even higher. Each one of you carries immense potential, and I truly look forward to seeing you evolve into compassionate, confident, and dynamic leaders of tomorrow—individuals who will shape a better world for all of us.

Keep learning, keep growing, and keep believing in your abilities. My best wishes are always with you.

Warm regards
Garima Pandey

Trailblazer at 16

Anwita Pandey, Our School Captain and a Grade 12 student, was awarded a 100% merit-based scholarship for the Diplomacy, Foreign Policy, and Geopolitics Youth Fellowship by the Impact and Policy Research Institute (IMPRI), New Delhi. Through this fellowship, she also published an article in IMPRI's Insights section titled "Ethos, Pathos, Logos, and Beyond: Persuasion as the Basis of Diplomacy and Law." The article explores the enduring relevance of the Aristotilian triad of ethos, pathos, and logos by integrating insights from modern psychological research. It further examines how these timeless principles form the foundation of effective diplomacy and legal reasoning in the contemporary world.

Congratulations Anwita !

COMMUNITY OUTREACH ENDEAVOUR

EMPATHY, AWARENESS AND ACTION- OUR WAY OF GIVING BACK

As part of Mission Sankalp 78, the Community Outreach Club joined hands with the Robin Hood Army to organise a donation drive. Learners, parents, and staff contributed food items and essentials to support underprivileged communities.

Club members took the lead in spreading awareness, collecting, and sorting donations responsibly. The initiative reflected the school's strong spirit of empathy, social responsibility, and collective action.

COMMUNITY OUTREACH ENDEAVOUR

A day to appreciate the dedication of those who keep our world moving.

To mark Labour Day, the learners of Culinary Club and Community Outreach Club at Ambience School came together in a heartfelt initiative to honour the invaluable contributions of our Didis, Bhaiyas, Drivers, and Conductors.

With love and gratitude, they prepared chaat and a refreshing jaggery-mint drink, serving it with warm smiles and sincere words of thanks to those who ensure our school runs smoothly every single day.

Labour Day!

This simple act of service was a powerful reminder of the dignity of labour and the importance of acknowledging those who often go unrecognized. Together, we celebrated not just Labour Day — but the spirit of respect, compassion, and community.

COMMUNITY OUTREACH ENDEAVOUR

Rooting for Nature, Standing for Health!

A GREEN planet IS A CLEAN PLANET

🌿 Rooting for Nature, Standing for Health!
Community Outreach Club learners came together to celebrate Van Mahotsav, India's festival of trees! 🌳✨

Learners were briefed about the importance of plantation during the monsoon, and in collaboration with NGO Niswarth Kadam, our school took a green step forward. The NGO team brought saplings and shared valuable insights about their environmental and health benefits. Learners enthusiastically participated in the plantation drive, pledging to nurture their green companions. 💚🌱

☀️ Also, learners were sensitized about building a Tobacco-Free Future as per the Ministry of Education's Implementation Manual on Tobacco-Free Educational Institutions (ToFEI).
They learned about the harmful effects of tobacco, its impact on health and society, and took a collective pledge to keep our campus and community tobacco-free. 🚭

Together, we plant hope 🌱 and choose health 💪!

COMMUNITY OUTREACH ENDEAVOUR

Empathy, awareness and action-our way of giving back!

Lights of Joy, Warmth of Hearts

The learners of Ambience Public School, Gurugram, recently visited The Earth Saviours Foundation, an old age home, as part of their Community Outreach Club. The visit aimed to instill compassion, empathy, and respect for the elderly among the learners.
The highlight of the visit was the heartwarming interactions between the learners and the elderly residents. The learners listened with wonder to the life stories of the seniors, sharing joyful conversations that brought smiles to their faces. The donation collected by the school was handed over to the staff, further brightening the residents' day.
Through this visit, the learners understood the true meaning of Diwali - spreading love, kindness and compassion and the value of making a difference in others' lives.

INVESTITURE CEREMONY

where leaders rise and dreams take wings

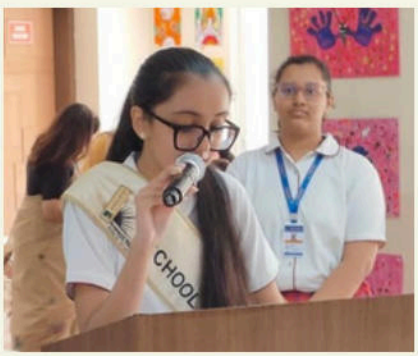

"Leaders are the catalysts who transform vision into reality. They inspire with purpose, guide with wisdom, and lead through example." The Investiture Ceremony at Ambience Public School marked a proud moment as the newly elected student council members were formally entrusted with their duties. The young torchbearers of the institution, confident and committed, pledged to uphold the school's ethos, lead their peers with integrity, and carry forward the spirit of excellence. The ceremony celebrated the essence of leadership — responsibility, service, and dedication — as these promising leaders stepped forward to take on their new roles with pride and determination.

HONORING ROOTS- Grandparents Day

Grandparents are the guiding stars of every family — the keepers of stories, traditions, and unconditional love. To honour their invaluable presence in our lives, Ambience Public School, Gurugram, celebrated Grandparents' Day with great enthusiasm and heartfelt emotions.

The event witnessed the gracious presence of our Honourable Chairman Sir Mr. Raj Singh Gehlot and Co-Chairperson Madam, Mrs. Sheela Gehlot whose blessings and words of wisdom added immense grace to the celebration. The school resonated with joy and warmth as the learners of the Pre-Primary wing presented a delightful programme dedicated to their beloved grandparents.

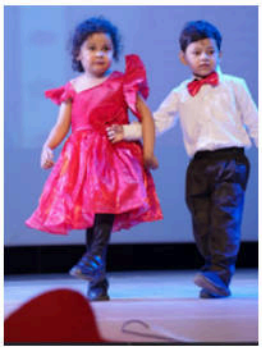

The little Ambignites expressed their love & gratitude through melodious songs, energetic dance performances, & touching poems. Their innocent gestures and heartfelt expressions brought smiles & tears of joy to the faces of the grandparents, creating moments to cherish forever.

The celebration beautifully reflected the bond between generations — a relationship woven with love, patience, and shared wisdom. Honourable Chairman Sir appreciated the efforts of the young learners and the teachers for organizing such a soul-stirring event that bridged the past and the present through affection and respect.

The day concluded on a joyous note with shared laughter, heartfelt blessings, and the sweet warmth of togetherness — a reminder that true learning begins not just in classrooms, but in the loving embrace of our grandparents.

INDEPENDENCE DAY

Independence Day Celebration at Ambience Public School, Gurugram

Ambience Public School, Gurugram celebrated Independence Day with immense pride and patriotic fervour. The campus came alive with vibrant performances as learners showcased their heartfelt feelings of patriotism through a thoughtful blend of cultural presentations.

The celebrations began with the unfurling of the national flag, followed by a spirited rendition of the national anthem. Learners presented soul-stirring patriotic songs, graceful dances, expressive skits, and powerful speeches, each reflecting their deep respect for the nation and its rich heritage.

Their performances highlighted India's journey of courage, unity, and resilience, leaving the audience inspired and emotionally moved. Principal Ms. Garima Pandey applauded the learners for their dedication and encouraged them to uphold the values of freedom, responsibility, and national pride.

The event concluded with a renewed sense of patriotism, reminding everyone of the sacrifices that shaped our nation and the role each young citizen plays in its future.

GANESH CHATURTHI

श्री गणेशाय नमः

Learners at Ambience Public School joyfully celebrated Ganesh Chaturthi with devotion and enthusiasm. They offered prayers, sang melodious songs, and shared the significance of the festival with heartfelt reverence. The celebration culminated in a graceful dance performance, spreading joy, faith, and festive cheer throughout the school.

TEACHERS' DAY

Grade 11 students organized a vibrant Teacher's Day Assembly to celebrate and appreciate our teachers. The event featured lively performances by the school band, a humorous and heartfelt skit and dance by Grade 11, and a touching tribute performance by Grade 12. The program beautifully blended fun, gratitude, and admiration, making it a memorable morning for everyone.

Diwali Celebration

The light of Diwali reminds us that even the smallest flame can drive away the deepest darkness.

The festival of lights was celebrated with great enthusiasm and splendour at our school. Grade IX learners organised a special assembly that beautifully captured the spirit of Diwali. The programme began with a soulful prayer and an enlightening thought for the day, setting a joyous tone for the celebration.

The highlight of the event was a vibrant dance performance and a captivating skit depicting scenes from the Ramayan, showcasing the triumph of good over evil. The school choir added to the festive spirit with their melodious songs that resonated with warmth and devotion.

The entire celebration reflected the values of unity, harmony, and positivity that Diwali stands for, leaving everyone with smiles and hearts aglow.

DIWALI CELEBRATIONS

DIWALI CELEBRATIONS

HUMANITY FIRST

Creative Little Hands at Work!

Grade 4 AND 5

Learners of Grades IV and V showcased their artistic flair by designing beautiful handmade Torans using mostly waste and recycled materials. With gentle support and encouragement from their Art Mentor, the young creators combined imagination, dedication, and love to craft each piece into a vibrant symbol of tradition and sustainability.

The activity not only enhanced their creative and fine motor skills but also encouraged eco-conscious thinking, turning simple waste into wonderful home decor for their homes.

DIWALI SPECIAL
finger puppets

Grade 3

To celebrate the festive spirit of Diwali, Grade 3 learners participated in a joyful Art Integration Activity that beautifully combined creativity with learning. This activity was conducted in integration with the English lesson 'Ram Is Banished', enabling students to connect their classroom learning with hands-on expression.

Learners crafted finger puppets inspired by characters from the Ramayana while exploring the story of how and under what circumstances Lord Ram was banished from Ayodhya. Through the session, they also reflected on the core values of respect, honour, and righteousness depicted in the epic.

The classroom was filled with enthusiasm as learners enjoyed cutting, pasting, and colouring their vibrant puppets. This engaging activity not only deepened their understanding of Diwali's significance but also encouraged them to appreciate the timeless moral lessons from the Ramayana.

When History Met Festivity

Grade 5 learners creatively integrated their topic "Europeans Came to India" with the festive spirit of Diwali.
They set up a vibrant Mini Diwali Bazaar at the port cities of Surat, Calicut, Madras, and Bombay, showcasing spices, silk and cotton fabrics, gold and silver coins, and more. Learners took on roles as Indian traders and European merchants — French, Dutch, Portuguese, and British — engaging in lively buying and selling role plays with dialogues they crafted themselves, enhancing their communication skills.

As part of reflection, they created "Diyas of Knowledge and Exchange", expressing what India shared with Europeans — spices, gems, and textiles — and what we gained from them — railways, education, and the printing press.
A wonderful celebration of learning, culture, and creativity! 🪔🌍

Diwali with Gratitude

NOBLE PHILANTHROPIC ENDEAVOUR BY OUR GRADE 1 AND 2 LEARNERS

SPREADING LIGHT, SHARING SMILES

This Diwali, our young learners celebrated the festival of lights in a truly meaningful and heartwarming way — by expressing sincere gratitude to our dedicated support staff who work tirelessly to keep our school shining bright every day.

With love and creativity, the learners painted diyas and crafted thoughtful cards, each carrying messages of appreciation and joy. Their heartfelt gestures lit up faces and hearts alike, reminding everyone that the true spirit of Diwali lies in kindness, gratitude, and togetherness.

A small act of appreciation became a radiant celebration of empathy and respect — proving that the brightest light is the one we share with others.

HALLOWEEN PARTY

Our little Pre primary learners had a wonderful time celebrating Halloween! The day was filled with excitement as children enjoyed spooky story time, a scavenger hunt, a fashion parade, spooky dance, and craft activities. Dressed in creative costumes, our learners showcased their imagination and enthusiasm. It was a joyful celebration that brought smiles, laughter, and plenty of Halloween spirit!

Grade Pre-Primary

TRICK OR TREAT

HALLOWEEN PARTY

Grade Early-Primary

Our Early Primary learners had a creeptastic time celebrating Halloween this week! Dressed with excitement and creativity, they brought along Halloween-themed props of their choice — from friendly ghosts to playful pumpkins. The day was filled with laughter and teamwork as they joined in a thrilling Treasure Hunt, searching for hidden spooky surprises! 🕵️‍♀️✨

To top it all off, the little chefs came together to create a spooky Halloween treat using Oreo biscuits, turning the classroom into a fun-filled kitchen of creativity and giggles. 🧁🦇 It was truly a day of imagination, joy, and festive spirit! 🎃🕸️

World Mental Health Day

"To keep a child's mind healthy,
fill it with kindness, curiosity, and the confidence that they are enough."

Our school enthusiastically celebrated World Health Day with a meaningful blend of creativity, reflection, and positivity. Learners expressed their emotions through vibrant artwork and thoughtful words of gratitude, filling the day with colour, warmth, and inspiration.

Each activity radiated mindfulness and appreciation, reminding everyone that mental well-being begins with compassion, self-awareness, and emotional balance. The celebration concluded with a peaceful meditation session and a heartfelt pledge by the learners to nurture their mental health, practise gratitude, and spread kindness — reaffirming that a happy mind is the first step toward a happy world.

EXPLORING OUR 5 SENSES

Our nursery learners had an exciting hands-on sensory activity as they explored different things using their five senses. This fun and educational experience helped them build vocabulary and develop their observation skills.

This activity was a wonderful way to help our nursery learners connect their senses to the world around them, sparking curiosity and joy in learning! 🌴

Drop Everything And Read!

Turning Pages, Sparking Imagination!

Our enthusiastic young readers from Grades 1 and 2 embraced the joy of reading during Drop Everything And Read (DEAR) Time — pausing their routine to dive into the magical world of books!

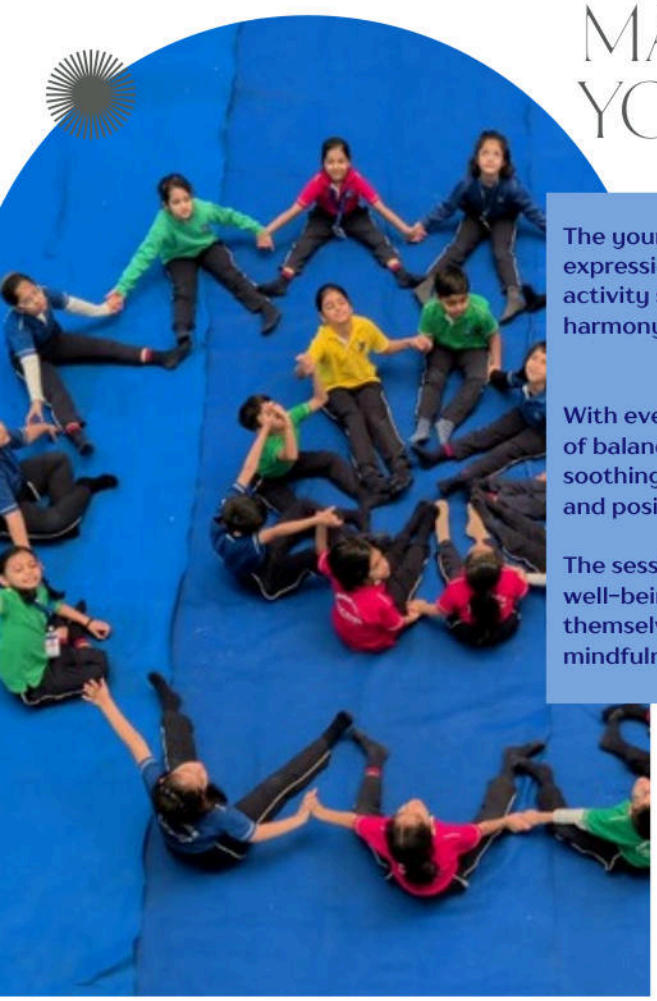

We believe that every great journey begins with a good book!

This special initiative not only nurtures a lifelong love for reading but also enhances focus and sparks imagination.

GRADE 1

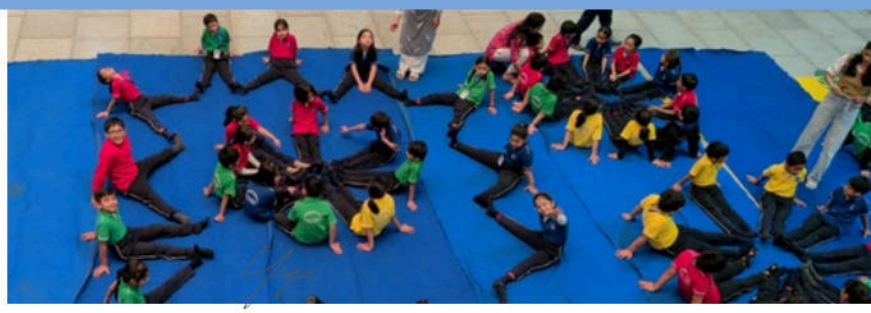

MANDALA YOGA MAGIC!

The young learners of Grades I and II embarked on a delightful journey of self-expression and mindfulness through an engaging session on Mandala Yoga Poses. The activity seamlessly blended movement and art, allowing children to explore the harmony between body, mind, and creativity.

With every graceful posture and vibrant mandala design, students expressed their sense of balance, imagination, and inner calm. The rhythmic flow of yoga intertwined with the soothing patterns of mandala art created a serene environment that inspired joy, focus, and positivity.

The session beautifully emphasized health awareness, concentration, and emotional well-being, nurturing young minds to stay active, peaceful, and connected with themselves. It was truly a magical experience that celebrated the power of movement, mindfulness, and creativity coming together.

GRADE 2

CREATING CONCEPT, SHAPING UNDERSTANDING

The learners of Grade 2 visited the Math Lab, where they explored numbers through hands-on learning. They used manipulative- abacus to represent different numbers by arranging beads according to their place values. This engaging activity helped them strengthen their understanding of place value concepts while enjoying a practical and interactive experience. The learners showed great enthusiasm and curiosity as they worked with the beads, making learning both fun and meaningful.

Tiny hands and big hearts, the children lovingly crafted beautiful rakhis, each one unique and full of personal touches. It was heartwarming to see the pride on their faces as they showcased their handmade creations – symbols of love, protection, and sibling bonding.

Sweet Adventures Unwrapped!

Our enthusiastic Grade 1 and 2 learners embarked on a delightful and educational trip to the Dach & Nona Ice Cream Factory, where learning met pure indulgence! The young explorers witnessed the fascinating journey of chocolate — from cocoa bean extraction to the irresistible ice cream-making process.

The excitement didn't stop there! Our little chocolatiers rolled up their sleeves to mix, make, and decorate their very own cookies. The highlight of the day was, of course, tasting their handmade cookies and freshly prepared ice cream — a truly sweet reward for their efforts!

A scoop of learning & fun!

"Our School in Adjectives!" – Grade 2 Shines Bright

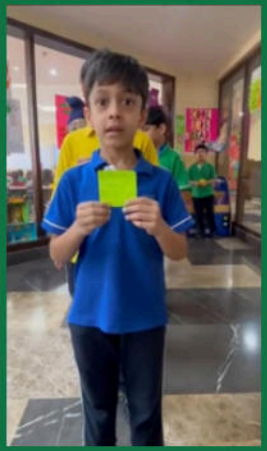

This week, our enthusiastic Grade 2 learners explored the power of descriptive words! They were asked to describe their school using adjectives — and the results were heartwarming! From happy, colorful, and clean to friendly, safe, and amazing, their words truly captured the spirit of our school through their eyes

Grade 1
HINDI

ग्रेड 1 के नन्हे शिक्षार्थियों ने "ओ" की मात्रा सीखी और उससे जुड़ी होली की कहानी पढ़ी। 🌸🎉

इसके बाद उन्होंने मंच पर आकर अपने-अपने पसंदीदा त्योहार के बारे में साझा किया। यह अनुभव न केवल मज़ेदार रहा बल्कि बच्चों में आत्मविश्वास बढ़ाने और उनकी बोलने की कला को निखारने में मददगार साबित हुआ। ✨

सीखते हुए मुस्कुराना और अपने विचार सबके सामने रखना - यही है असली शिक्षा! 🌈

LOGICAL MINDS AT WORK

Grade 3

Learners visited the Math Lab to revisit the concept of place value through an engaging peer-led activity using place value blocks. Learners were divided into teams, where each team formed a four-digit number using blocks representing thousands, hundreds, tens, and ones, while the opposing team observed carefully to guess the number.

This quiz-style activity not only reinforced their understanding of place value but also promoted teamwork, critical thinking, and effective communication. The hands-on experience made learning more interactive, enjoyable, and meaningful, helping learners strengthen mathematical concepts through play and collaboration.

Grade 4

Grade 4 learners participated in a hands-on abacus activity in the Maths Lab, where they solved word problems based on addition and subtraction. Using the abacus, they practiced step-by-step calculations, which helped reinforce their understanding of place value and regrouping. The interactive session enhanced their accuracy, built confidence in computation, and encouraged peer learning through collaborative problem-solving.

GRADE 3

"Education is not the filling of a pail, but the lighting of a fire." - W.B. Yeats ✨

Our Grade III learners explored the concept of Division through a series of interactive and experiential learning activities that brought mathematics to life in an engaging and meaningful way.

To understand division as grouping into equal sets, learners participated in a creative bindis activity, using colourful bindis to visualize how numbers can be divided into equal parts. They further discovered division as repeated subtraction through an enjoyable rajmah/chana seeds activity, which helped them connect mathematical operations with real-world experiences.

Each activity fostered active participation, logical reasoning, and curiosity, allowing learners to experience the joy of discovering concepts on their own. Accompanying reinforcement worksheets strengthened their understanding and helped consolidate learning.

The session beautifully embodied the essence of Yeats' words – education is not about rote learning, but about igniting curiosity and a lifelong love for understanding. Through hands-on experiences, our young learners proved that when minds are engaged, learning truly becomes a spark that lasts a lifetime. 🌟

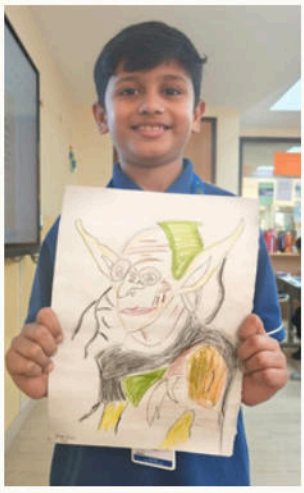

“Imagination is the spark that ignites creativity“

Our Grade V learners unleashed their imagination by creating their own “Nix” — unique, magical characters brought to life through art and storytelling. The classroom buzzed with creativity and laughter as each student explored the endless possibilities of imagination! 🌈

From sketching their Nix to describing its special powers and personality, every child showcased remarkable originality and flair. The activity nurtured creative confidence, self-expression, and storytelling skills — reminding everyone that imagination truly has no boundaries!

कक्षा 5 व 6 में विद्यार्थियों के आत्मविश्वास और अभिव्यक्ति कौशल को बढ़ाने हेतु कहानी वाचन गतिविधि का आयोजन कराया गया ।

विद्यार्थियों ने दो-दो के समूहों में मिलकर रोचक कहानियाँ प्रस्तुत कीं। उन्होंने अपनी प्रस्तुति को प्रभावशाली बनाने के लिए चित्रों, चार्ट्स और प्रॉप्स का सुंदर प्रयोग किया। सभी विद्यार्थियों ने उत्साहपूर्वक भाग लिया और अपनी रचनात्मकता व टीम भावना का उत्कृष्ट प्रदर्शन किया। यह गतिविधि विद्यार्थियों के लिए एक प्रेरणादायक और आनंददायक अनुभव रही।

POLITICAL ADVENTURE

GRADE 6B- AUG 16- MOCK PARLIAMENT

In Grade 6B Social Studies, as part of the chapter Grassroots Democracy Part 1: Governance, learners participated in a lively mock parliamentary debate. The session focused on the passing of a bill related to Social Media regulation, giving learners an opportunity to understand how laws are discussed and approved in a democratic setup. Learners took on different parliamentary roles such as the Speaker, Ministers, and Opposition members, engaging in thoughtful discussions and presenting their views confidently. The activity enhanced their understanding of governance, decision-making, and democratic participation while encouraging teamwork, critical thinking, and public speaking skills.

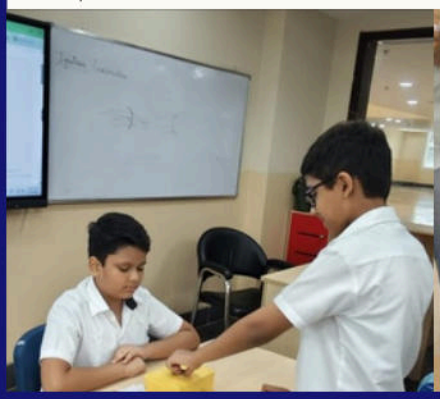

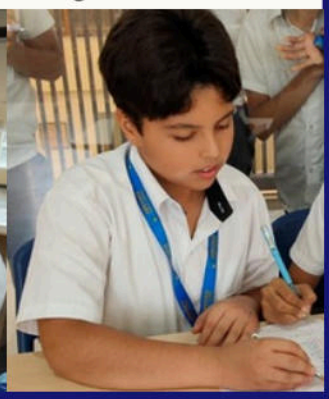

Mock Elections - 7TH

As part of understanding the Types of Government, learners of Grade 7A and 7B learners actively stepped into the shoes of democratic citizens.
From filing nominations and vibrant canvassing to replicating the voting process through a mock polling booth, students experienced the complete election journey. Their enthusiastic participation made democracy come alive in the classroom—turning a social science concept into a memorable hands-on learning experience. The hands-on activity enabled learners to meaningfully connect theoretical knowledge with real-life application, while also developing a better understanding of the roles and responsibilities involved in democratic governance.

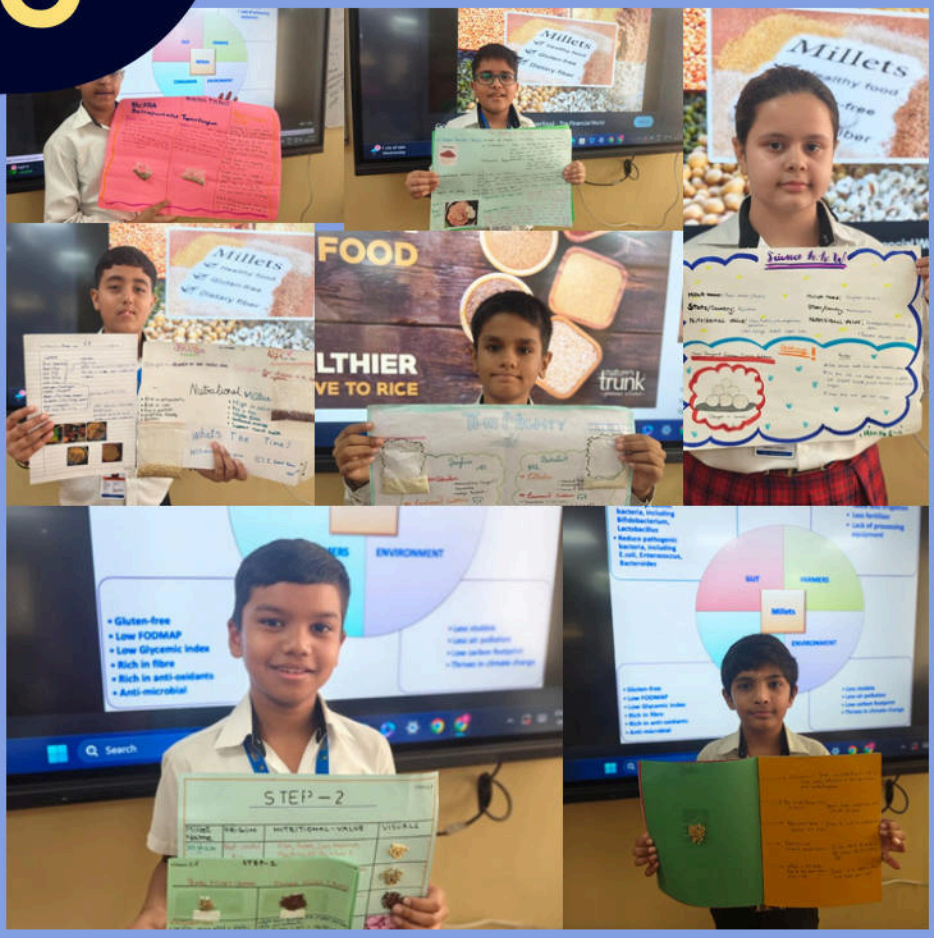

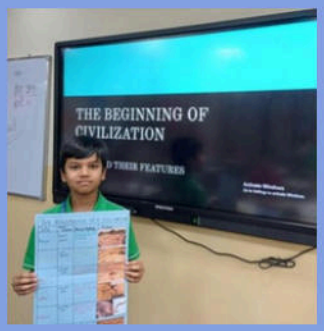

GRADE 6

SOCIAL science

Grade VI learners enthusiastically participated in the Mighty Millets activity, showcasing curiosity and research skills as they explored different types of millets and their nutritional value. The activity aimed to promote awareness about the significance of millets as a sustainable and health-rich food source. Learners presented their findings creatively, highlighting how these traditional grains contribute to a balanced diet and environmental well-being.

Poster Making

In Grade 6A and 6B Social Studies, learners participated in an exciting poster-making and presentation activity on the Indus Valley Civilization for the Chapter: The Beginnings of Indian Civilization. Each learner created a colorful poster showcasing different Indus Valley sites such as Mohenjo-Daro, Harappa, and Lothal. They highlighted key features including town planning, drainage systems, trade, and architecture. The presentations helped learners understand the rich cultural and technological achievements of this ancient civilization. The activity encouraged teamwork, creativity, and research skills, while making history come alive in the classroom. Learners thoroughly enjoyed sharing their work and learning from one another.

GRADE 6B- PROJECT ON CONSERVATION OF WATER-AC PLANT

GRADE 6

Learners of Grade 6B presented a thoughtful assembly on the theme " Responsibility – Owning Our Choices, Building Our World ." They highlighted the importance of taking responsibility at home, in school, and within the community.
As they beautifully conveyed: “ Responsibility may begin with small steps... but those steps lead to a stronger, more respectful world .”

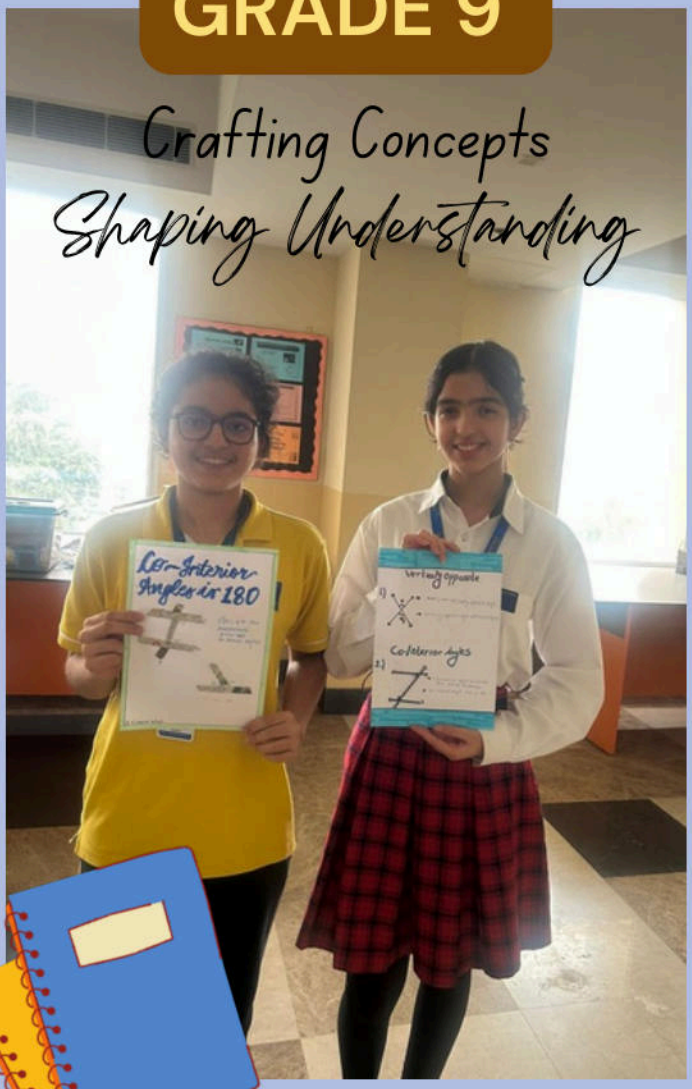

GRADE 7A CONDUCTED A SPECIAL ASSEMBLY ON THE THEME ARTIFICIAL INTELLIGENCE (AI). THE PROGRAMME BEGAN WITH THE THOUGHT OF THE DAY AND NEWS OF THE DAY, FOLLOWED BY INSIGHTFUL PRESENTATIONS ON THE ADVANTAGES OF AI. LEARNERS SHARED HOW AI HAS POSITIVELY IMPACTED VARIOUS FIELDS — FROM SUPPORTING THE VISUALLY IMPAIRED IN RURAL AREAS TO ASSISTING THE ELDERLY AND EMPOWERING NGO WORKERS. THEY ALSO PRESENTED INTERESTING FACTS ABOUT AI, HIGHLIGHTING ITS APPLICATIONS IN MEDICINE, IN DETECTING PLANT DISEASES, IN TRANSPORTATION, AND EVEN AT PETROL PUMPS WHERE CAMERAS HELP DETECT THE AGE OF VEHICLES. A POEM AND A SPECIAL MESSAGE WERE ALSO SHARED, EMPHASIZING THE IMPORTANCE OF USING AI WISELY AND RESPONSIBLY. TO CONCLUDE, LEARNERS COLLECTIVELY TOOK A PLEDGE TO USE AI WISELY AND SMARTLY FOR THE BETTERMENT OF SOCIETY.

GRADE 7

GRADE 9

Crafting Concepts Shaping Understanding

The learners of Grade IX engaged in an enriching Geometry-based activity designed to make learning more experiential and meaningful. Moving beyond textbook concepts, students explored various geometric shapes, properties, and relationships through interactive and hands-on exercises.

The activity encouraged them to apply theoretical knowledge to practical situations, fostering critical thinking, creativity, and problem-solving skills. As they constructed, measured, and analysed different geometrical figures, they gained a deeper understanding of the subject while discovering the beauty and logic behind mathematical patterns.

The session not only strengthened their conceptual clarity but also made learning Geometry an engaging and enjoyable experience, reinforcing the idea that mathematics is not just about numbers and formulas, but about exploring patterns, precision, and reasoning in the world around us.

BAGS FULL OF JOY

LEARNERS CAME TOGETHER TO CRAFT SPECIAL PAPER GOODIE BAGS

WHAT BEGAN AS A SIMPLE ART ACTIVITY TURNED INTO A HEARTWARMING COLLABORATION FILLED WITH LAUGHTER, TEAMWORK, AND CREATIVITY. THE OLDER STUDENTS POURED THEIR LOVE INTO EVERY COLOR, DOODLE, AND DESIGN, MAKING SURE EACH LITTLE READER FELT EXTRA SPECIAL ON THEIR BIG DAY.

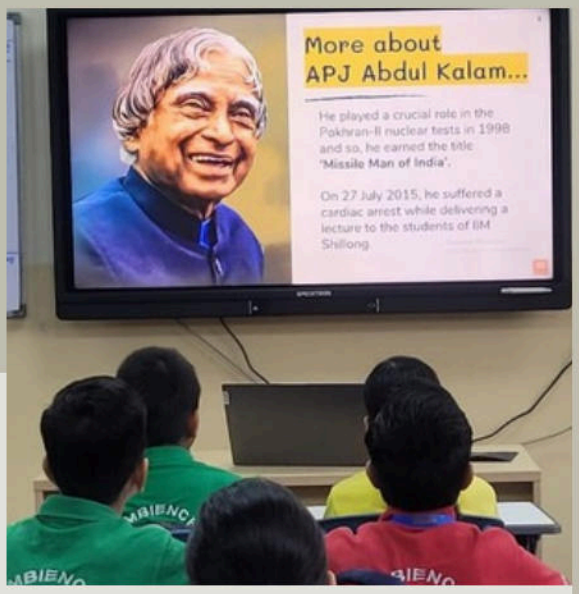

This beautiful collaboration brought smiles, creativity, and a whole lot of heart into one magical moment. #ReadingDay

WORLD STUDENTS' DAY

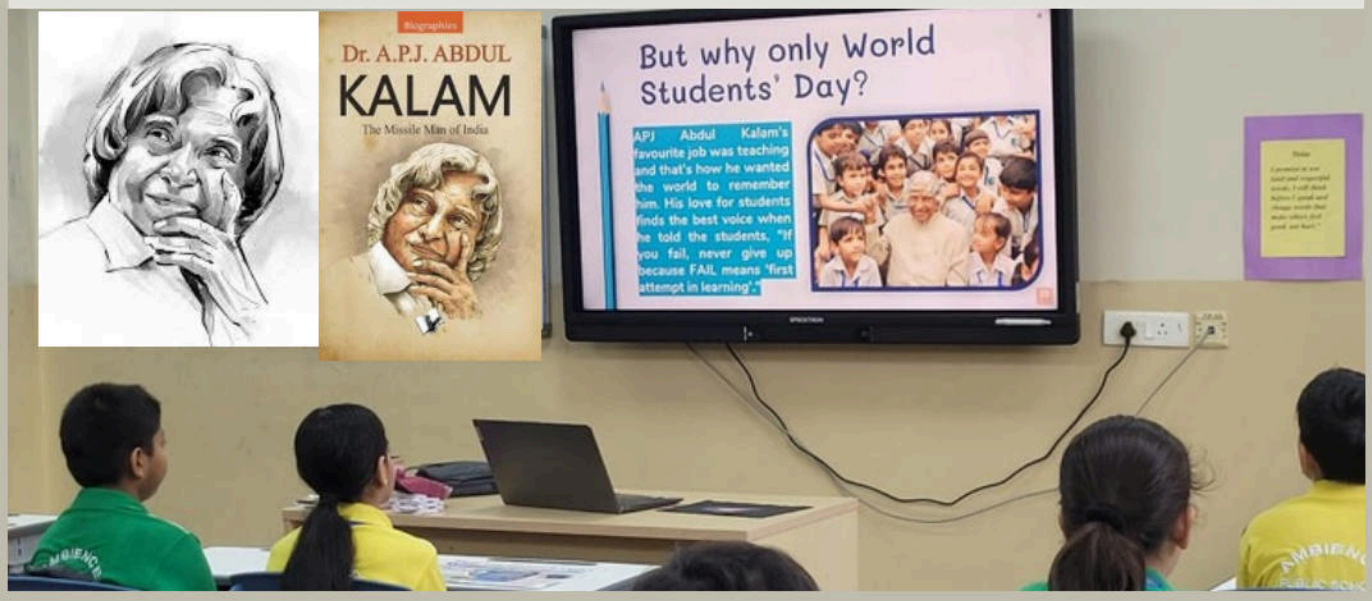

'The purpose of education is to make good human beings with skill and expertise.'
– Dr. A.P.J. Abdul Kalam

On the occasion of World Students' Day, Grade V learners participated in an inspiring session celebrating the joy of learning and the ideals of Dr. A.P.J. Abdul Kalam. The session began with a video highlighting the significance of the day and Dr. Kalam's remarkable journey — from humble beginnings to becoming the 'Missile Man of India.'

Learners reflected on his legacy as a teacher and visionary who believed in nurturing young minds with knowledge, values, and purpose. The celebration encouraged them to follow his principles of curiosity, dedication, and perseverance — reminding all that true education builds character, compassion, and the courage to pursue one's dreams.

DYSLEXIA AWARENESS DAY

UNIQUE BRAIN, ENDLESS POTENTIAL

To mark Dyslexia Awareness Day, learners of grade 6 watched an inspiring video that helped them understand how individuals with dyslexia think and learn differently. The video encouraged empathy, inclusion, and appreciation for diverse learning styles

MUSINGS

THE FLIGHT OF DREAMS

THE MORNING SUN BEGINS TO RISE,
FILLING THE WORLD WITH HOPEFUL SKIES.
THE GENTLE BREEZE BECOMES OUR WINGS,
LIFTING US HIGH TO BRIGHTEN THINGS.

WITHIN THE SCHOOL WE TAKE EACH STRIDE,
LEARNING WITH JOY ,WITH FRIENDS BESIDE.
WITH BOOKS TO GUIDE AND HEARTS SO TRUE,
EACH DAY BRINGS SOMETHING FRESH AND NEW.

OUR TEACHERS SHOW THE RIGHTFUL WAY,
THEIR WISDOM LIGHTS OUR PATH EACH DAY.
THEIR LESSONS STAY, A GUIDING FLAME,
THROUGH EVERY STEP , THROUGH EVERY AIM.

THERES LAUGHTER HERE, AND HARD WORK TOO,
THERES FRIENDSHIP STRONG AND DREAMS TO PURSUE.
IN LITTLE MOMENTS, SMILES ARE FOUND.
A WORLD OF WANDER ALL AROUND.

SO LET US DREAM BEYOND THE SKIES,
WITH COURAGE STRONG AND HOPEFUL EYES.
THROUGH EFFORT, EVERY GOAL WE'LL CLAIM,
AND MAKE OUR DREAMS A SHINING FLAME.

किताबों से बातें

हर चीज़ हमें सिखाती हैं,
हमें हमारी मंज़िल दिखाती;
कभी कहानी, कभी विज्ञान,
हर दिन कुछ नया सिखाती हैं।
हर सवाल का उत्तर देती,
हर डर को ये दूर करे।
अज्ञान के अंधेरे में,
ज्ञान से भरपूर करे।
जिसने इनसे दोस्ती कर ली,
उसने पा ली ज़िंदगी की सच्ची दौलत,
जब थक जाओ दुनिया से,
तब ये सुकून दे जाती हैं।
कभी बनती हैं शिक्षक प्यारे,
कभी माँ की ममता जैसी,
कभी दिखाएँ राह उजाले की,
कभी बनें दीवारें समय जैसी।

INDEPENDENCE DAY

THIS IS A HIT THAT WE NEVER QUIT,
WE STAND TALL AND NEVER SPLIT.
THE BRITISH RULED US LIKE IT'S KINGDOM'
BUT GOT TIRED AND GAVE US FREEDOM.
JUST BY SOME PEOPLE WHO WERE BRAVE,
THEY ACTUALLY SAVED THE DAY.
THIS MEANT A CELEBRATION,
WHICH WAS FOR OUR NATION.
WE NEVER WENT BACK,
OR WE NEVER PACKED.
WE FOUGHT FOR OUR RIGHT,
WITH OUR WHOLE MIGHT.
AT FIRST WE WERE SAD,
BUT AFTER STRIVING HARD WE WERE GLAD.
AFTER FREEDOM, CAME OUR CONSTITUTION,
WHICH WAS REALLY A HUGE CONTRIBUTION.
ONCE A TIME WHICH WAS MOURNING,
NOW THE TIME IS ADORING.

Using education to nurture future leaders

At Ambience Public School, Gurugram, holistic development of the students takes place beyond the classroom walls

etpanache@timesofindia.com

Located on a five-acre campus, Ambience Public School, Gurugram, is a progressive, CBSE-affiliated senior institution committed to academic growth and excellence.

Guided by the philosophy of 'Humanity First', the school is devoted to shaping compassionate, confident, future-ready leaders. Every experience at Ambience is designed to help students thrive — intellectually, emotionally and socially.

Beyond academics

At Ambience Public School, education extends well beyond the classroom. The school believes in holistic development and provides ample opportunities for students to explore, excel and evolve through diverse co-curricular pursuits.

The curriculum caters to every age group, nurturing creativity and confidence through the expressive domains of theatre, vocal and instrumental music and a repertoire of traditional and contemporary dance forms.

Through theatre, students learn the art of expression, empathy and storytelling, building emotional intelligence and stage confidence. Music forms the soul of the school's cultural landscape, encouraging discipline, harmony and aesthetic appreciation. Dance,

Sporting excellence

Sport is an integral part of the school's educational philosophy, reflecting its belief in nurturing both mind and body. The school boasts of world-class sporting infrastructure, operational during morning and evening hours.

With nearly 12 sporting disciplines offered on a complimentary basis, the school remains deeply committed to promoting sports education. Through expert training, structured programmes and an unwavering focus on discipline and teamwork, Ambience continues to identify, nurture and guide athletes towards excellence.

Science, technology, engineering and mathematics (STEM) education is at the heart of Ambience's academic vision. The school's state-of-the-art robotics and innovation lab serves as a hub for innovators, providing them with hands-on opportunities to explore technologies.

Inclusive programmes

The school is deeply committed to fostering an inclusive learning environment that embraces diversity and ensures equitable access to education for all learners.

Supported by a team of qualified educators, the education programmes are designed to identify and address the students' learning needs.

The school also emphasises holistic development through merit-based scholarships that recognise excellence in academics and sports. Complimentary nutritious meals for pre-primary learners, a well-structured day care facility and thoughtfully designed parent involvement programmes (PIP) foster a strong partnership between home and school.
